Dear Parent,

According to **Pennsylvania Law**, nonpublic school children are entitled to transportation to nonpublic schools as follows:

2. Transportation for nonpublic school students must be provided to and from the nonpublic school in which the student is enrolled, even if the nonpublic school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries. (Note this distance may be more than 10 miles from the student's home.)
3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

## Admissions Online

Welcome to St. Jane Frances de Chantal School and thank you for your interest.

### Request More Information

If you have not already done so, please consider making an appointment to visit. We would very much like to meet you and encourage you to tour our school and campus.

### How to Apply

We encourage families to apply online as it simplifies submission and provides parents the ability to track the status of their child's application. To begin the Online Application process, Create an Account. Upon account creation, you will receive an email containing a verification link. Once your email address has been verified, log in to your account and **Create A New Student Application** for your child. Dear Parent or Guardian,

St. Jane Frances de Chantal School has partnered with Simple Tuition Solutions (STS) to Determine Eligibility for Tuition Assistance.

To complete the STS Financial Aid Application, please follow these 6 simple steps:

- 1.) Click on the unique link specific to St Jane Frances de Chantal: <https://app.simpletuitionsolutions.org/register?sc=20401>  
If you happen to land on a page that asks you to enter a School or Scholarship Organization Code, you want to enter code: **20401**
- 2.) If you do not already have an account with STS, you want to click on the Orange Button "Create a new account".  
*\*\* If you already have an account with STS, click "Sign in", and enter your previously created login and password. \*\**
- 3.) Create your account
- 4.) Upon creation of your account you will be sent to a page that will allow you to "Start a new Application". Be sure you are selecting the proper School year you are seeking assistance for.  
*\*\* Note: You may include ALL of your students on one application, even if they attend other private schools \*\**
- 5.) The Application Process is 8 Steps counting the payment step, each step will save as you advance to the next step. You are able to use the 8-step tool bar across the top of the page to toggle back to a previous step and make any necessary edits. However, please note, once you complete the process of uploading your required financial documents it will lock the application from all editing. At this point, if any changes would need to be made to the submitting application, you can gladly email STS at [support@simpletuitionsolutions.org](mailto:support@simpletuitionsolutions.org) or via chat on our company website within the "Contact Us" section
- 6.) After completion of the payment process you will be advised as to which financial documents you need to provide STS. You will also be sent an email that outlines what you need to provide as well as introduce you to the application processor that will be handling the review of your application. **Please Note:** You can simply scan or take a photo of your financial documents and upload them into STS's system using STS's convenient upload feature. This is the fastest way to provide STS with your required financial documentation. However, you can also mail the signed copies of your financial documents to STS to the following P.O. Box address: **Simple Tuition Solutions, LLC, P.O. Box 779 Camp Hill, PA 17001**. Once your financial documents are loaded the system will lock the application from all editing. At this point, if any changes would need to be made to the submitting application, you can gladly email STS at [support@simpletuitionsolutions.org](mailto:support@simpletuitionsolutions.org) or via chat on our company website within the "Contact Us" section.

Finally, once STS has received all of the required financial documentation from you, STS's application processors will verify the data and review your entire application per Pennsylvania State Law to determine your eligibility for any state programs. You will be notified directly via email upon the completion of this verification/review process. In addition, the results will also be available to your School or any Scholarship Organization associated with the scholarship. **It is important to note that STS is only contracted to handle the verification and eligibility determination, therefore, DOES NOT have any input, control, or insight into scholarship amounts or when they may be awarded.**
