A Catholic Tradition in Academic Excellence

October 3, 2023

Dear Parent/Guardian,

We will be presenting the yearly *Circle of Grace Child Protection Catechesis Training* to all students the week of October 23, 2023. Grade-appropriate modules are designed for K - 12 students. This training emphasizes dignity and respect for one's body, appropriate boundaries, and awareness of child protection topics. Children learn to recognize when they are safe or unsafe and know how to bring their concerns, fears, and uncertainties to the trusted adults in their lives.

Circle of Grace equips children with essential knowledge and safety skills rooted in the Catholic faith. Genesis 1:27 tells us that we are created "male and female in God's image" and God saw this as "very good." In that goodness, we are meant to respect ourselves and everyone else as persons created and loved by God.

Circle of Grace assists the children in recognizing God's love by helping them to understand that each of us lives and moves in a Circle of Grace. One can imagine their own *Circle of Grace* by putting their arms above their head and then circling down in front of their body, including side to side. This circle holds our very essence in mind, heart, soul, and sexuality. *Circle of Grace* brings God into the center of child protection catechesis by teaching God's presence and assistance in difficult or confusing situations, respect for self and others, and skills for good decision making.

If you do *not* wish for your child to receive this *Circle of Grace Child Protection Catechesis Training* in school, please submit a written request to the office no later than October 16, 2023 requesting this curriculum be sent home. If you opt-out of this in-school training, you will be asked to review the material with your child at home. Your child will then be asked to complete and return the training evaluation form to their teacher.

We look forward to providing the children with this important training. Please contact me if you have any questions about the *Circle of Grace* program or child protection catechesis in the Diocese of Allentown. The safety of our students is always a top priority.

Sincerely Yours in Christ,

Marybeth Okula
Principal

Abundant Fresh Wreaths measure 22-24" in diameter, hand crafted by a local girl scout troop.

Each wreath is \$25, a portion of the proceeds will not only support the hard-working girls but also St Jane School.
