Dear Parents,

I am writing to share an exciting opportunity for your children to enhance their soccer skills and ensure they are well-prepared for the challenges of the big field. After closely observing our young players, it has become evident that many are experiencing frustration when they lack the required skills during larger competitions.

To address this and provide a solid foundation for success, I highly recommend enrolling your child in our first-year indoor soccer camp. The benefits of participating in this camp are numerous, and I believe it will significantly contribute to your child's development as a soccer player.

Here are some key advantages of joining our indoor soccer camp:

- **Skill Development:** The camp focuses on fundamental skills such as dribbling, passing, shooting, and ball control. These skills are essential for success on the soccer field.
- **Confidence Building:** Small group settings and targeted coaching will help boost your child's confidence, enabling them to perform better and enjoy the game more.
- **Tactical Understanding:** The camp will provide valuable insights into the strategic aspects of soccer, helping your child understand the game's nuances and make smarter decisions on the field.
- **Teamwork:** Through various drills and activities, participants will learn the importance of teamwork, communication, and collaboration—skills that are crucial for success in competitive soccer.
- **Indoor Environment:** Training indoors ensures a controlled and comfortable setting, allowing for focused skill development without the distractions or challenges of the outdoor field.
- **Personalized Attention:** We will provide personalized feedback, addressing each child's strengths and areas for improvement.
- **Preparation for Outdoor Competitions:** Equipping your child with essential skills indoors will give them the confidence to excel when transitioning to larger outdoor competitions.

I have witnessed the frustration some children experience when they struggle on the big field, and I genuinely believe that our indoor soccer camp will make a significant difference. To secure a spot for your child and set them on the path to success, I encourage you to register for the camp at your earliest convenience.

Thank you for considering this opportunity for your child. I am confident that they will not only enjoy the experience but also emerge as more skilled and confident soccer players.

A Catholic Tradition in Academic Excellence

January 30, 2024

Dear Friend,

St. Jane Frances de Chantal School will be celebrating Read Across America Day on March 4, 2024. This day was established nationally to help children instill a love for reading. As part of our celebration, we are inviting influential local members of our community to join in the fun! If you would like to volunteer approximately 20-30 minutes of your time to read aloud a book of your choice to a class of our students, or if you need a book, we can choose one for you! Please RSVP to Carrie Driscole at carrie.driscole@gmail.com

We are asking for volunteers between the hours of 8:00 am – 11:00 am. Please keep in mind all readings will take place in school classrooms in the St. Jane Frances de Chantal School – Preschool to Grade 8. We can take requests if you want to read to a special grade or classroom.

Our guest readers will have a special impact on our children. Once you have communicated a time that works well for you, we will reach out with further logistics. Our students will be so excited to learn who our mystery readers are! Thank you in advance for helping us promote a love of reading on Read Across America Day.

Joyfully yours,

Marybeth Okula
